Additional Installation Price List (Requirements exceeding the standard installation)

Effective Date
1/4/2025 - 31/3/2026

Items	Units	Price	
1	Extra surface refrigerant pipe with black insulator and control wire	Per Meter(3/4HP to 1HP) Per Meter(1 1/2HP to 2 1/2HP)	\$180 \$200
2	Extra surface drain pipe with black insulator (Same price for the surface drain pipe of the outdoor condenser)	Per Meter	\$50
3	Special installation of heat pump model (5m control wire with PVC conduit and 2m surface drain pipe)	Per Set	\$400
4	Control wire with PVC conduit	First 5 meters Per Meter after the 5 meters	\$200 \$50
5	Outdoor air-conditioner frame (aluminum or China 202 stainless steel)	Per Set (3/4HP to 1 1/2HP) Per Set (2HP to 2 1/2HP) Per Set (3HP) Per Set (3.5HP or above)	\$470 \$520 \$650/ Quotation
6	Installation of indoor unit rack(aluminum)	Per Set	\$300
7	Extra refrigerant for the extra pipe(7 meters above)	Per Set	\$500
8	Installation of window split type air-conditioner unit rack with concrete base more than 28"(w) X 20"(d)	Per Set (3/4HP to 1HP) Per Set (1 1/2HP to 2 1/2HP)	\$250 \$300
9	Installation of window split type air-conditioner unit rack without concrete base or with base less than 28"(w) X 20"(d) (Not applicable to cantilevered slab environment)	Per Set (3/4HP to 1 1/2HP) Per Set (2 HP to 2 1/2HP)	\$450 \$600
10	Concrete Wall opening Curtain Wall opening Remove waterproofed material of wall hole for refrigerator pipe which is located outside the building (9" depth or above)	Per Hole (less 4" thick) Per Hole (less 6" thick) Per Hole	\$200 \$200 \$200
11	Extension of control wire between indoor/outdoor unit with PVC conduit (10m)	Per Set	\$450
12	To dismantle the window-type air-conditioner & frame	Per Set	\$170
13	To dismantle the window split-type air-conditioner	Per Set	\$300
14	To dismantle indoor & outdoor unit To dismantle outdoor unit only To dismantle indoor unit only	Per Set(3/4HP to 2 1/2HP) Per Set(3/4HP to 2 1/2HP) Per Set(3/4HP to 2 1/2HP)	\$400 \$200 \$200
15	Dangerous installation (Two meters or more on the ground, or half-body of a person in the outdoor, or base on the actual situation)	Per Set	\$320
16	Outdoor unit installation over 2 meters from the ground	Per Set	\$350
17	Waterproof isolator	Per Set	\$320
18	Emergency switch	Per Set	\$200
19	Removal and Reinstallation of the window for the outdoor unit installation Removal and Reinstallation of the window frame for the outdoor unit installation	Per Window Per Frame	\$200 \$200
20	Normal glass covering (6mm thick) (Acidic glass adhesive) Frosted or amber-yellow glass covering(6mm thick)	Per Square Feet Per Square Feet	\$90 \$100
21	Installation of stainless steel water tray for outdoor unit (Highly Recommended for heat pump model)	Per Set (Together with Air-conditioner installation)	\$550
22	Maintenance Shaft	Per Set	\$250
23	Dismantling refrigerant pipe cover (outdoor)	Per Set (First 3 meters) (Followed by every meter)	\$300 \$50
24	Discovery Bay, Outlying Islands and Restricted Areas Installation location cannot be reached by transportation and required to reach on foot (Extra fee would be charged and base on the distance or other conditions)	Per Job Per Job (For reference)	\$300 \$120
25	Separate Installation date of air conditioners	Per Job	\$300
26	Scaffolding (Reference price) (Included 20 million third party insurance)	Standard scaffolding (within 8x8 foot) Extra size / special shape or requiry If the insurance request to add another name or address(temporary)	\$3500 Quotation
27	Special installation		Quotation
28	On-site inspection service for Window / Slim Size Split Air-Conditioner (Non-refundable)	Per Job	\$100
29	8-10 mm in thickness rubber absorbers for outdoor unit	4 pcs per set	\$160
30	Power supply from outdoor unit power cord with PVC conduit and accessory (within 2 meters)	Per Set	\$250
31	Transportation fee of up&/or down stairs	Per Set Per Floor	\$30
